Summary Information

Repository:	Manuscripts and Archives
Creator - col:	Sharer, Cyrus J. (Cyrus Jewitt)
Title:	Cyrus J. Sharer research files on the iron ore and steel industries
ID:	2183
Date [inclusive]:	1943-1987
Physical Description:	4 Linear Feet
Language of the Material:	English .
Abstract:	This collection represents materials collected by Cyrus J. Sharer for his research on the iron and steel industry and particularly the world iron ore trade. The main emphasis is on the iron ore trade of the Great Lakes. The period covered, mid-1960s to mid-1980s, was one of crisis and reorganization in the American steel industry and in the lake ore trade, and this is reflected in the records.

Biographical Note

Cyrus Jewett Sharer was born in 1922 and was the Chair of the Geography Department at Villanova University. His primary research interest was in the economic geography of the world steel industry and the global iron ore trade, with an emphasis on the American steel-making complex centered on the Northeast and Midwest and the Great Lakes iron ore deposits.
